IN 2017, YOUR MMPAC DUES HELPED TO...

- Maintain Medicaid E&M codes at 94% of Medicare, as well as Medicaid funding for FY2018;
- Successfully oppose the attempted increase on the cap for non-economic damages;
- Achieve common sense Opioid legislation;
- Decrease the cost of physician licensing;
- Successfully advocate for a longer submission period for workers' compensation claims; and
- Prevent the broad expansion of optometric scope of practice.
