Representing the House of Medicine

- The Maryland General Assembly is in session from mid-January to mid-April
BUT
- **Advocacy is a year- round job!
AMAPAC and MMPAC help us
share our message**

Physicians in the General Assembly

- There are currently four physicians serving in the Maryland House of Delegates: Drs. Dan Morhaim, Terri Hill, Clarence Lam and Jay Jalisi.
- These physicians have served as valuable information sources for fellow Delegates on a variety of issues affecting physicians.
- We need MMPAC to support their election!
