The Grand Opening of the Museum will be held in June 2024 in connection with an event for the 225th MedChi Anniversary.

We are looking for organizations to do a sponsored exhibit in a dedicated room.

There is a Rare Book Room with a video screen. The videos will include stories narrated by members and staff about MedChi and Maryland's Medical History.

The MedChi Museum of Maryland Medical History

The ***Center for a Healthy Maryland*** has applied for a \$157,000 grant to coordinate a partnership between MedChi and Bithgroup Technologies to maintain and support a new web-based environmental health tracking system.

The Center for a Healthy Maryland submitted a proposal in response to the ***Pfizer Independent Medical Education RFP "Individualized Menopause Care"***.

Grants and Education Division

The Maryland Health Care Coalition Against Domestic Violence completed their fiscal year, which began October 1st, 2022, by conducting ***20 trainings through out Maryland.*** ***They reached 667 participants*** in total.

They conducted ***2 open seminars*** on intersection of intimate partner violence (IPV) and HIV, as well as the health impacts of teen dating violence.

Grants and Education Division continued...

There are a total of 79 participants in the three programs. A new participant, referred by the Maryland Board of Acupuncture, is a first for MHPP.

MPHP has raised \$16,721 during their 45th Anniversary celebration.

The next MPHP Fundraising campaign “**100 Champions**” will ask 100 individuals to donate \$1000. To be the first champion, scan the QR code.

Maryland Physician Health Program (MPHP)

Maryland Healthcare Professional Program (MHPP)

Maryland Professional Rehabilitation Program (MPRP)

We will be conducting ghost tours on the evenings of October 30 and 31. Tours are sold out.

Maybe Marcia Noyes will make an appearance!
