

MedChi

The Maryland State Medical Society

2025 Legislative Session Advocacy Report

Thank you to all of the MedChi members who contributed to this successful legislative session through your advocacy, testimony, volunteered time and expertise, council and committee participation, and more!

ANOTHER YEAR OF LEGISLATIVE SUCCESS!

The Maryland State Medical Society

2025 Legislative Session Advocacy Report

This legislative session, MedChi's advocacy achieved several victories:

RESTRICTED

The use of artificial intelligence in utilization review by health insurers, pharmacy benefit managers, and review agents.

EXPANDED

Reporting requirements and enforcement authority to hold insurers accountable for adverse decisions.

PREVENTED

Scope of practice expansions, including efforts to expand prescribing authority for naturopaths.

PROTECTED

The non-economic damages cap.

MAINTAINED

Medicaid Evaluation and Management (E&M) payment rates.
