The only EHR that works with you.

Our AI powered EHR is simple to use,
drastically lowers your charting time, and
packed full of time saving automations,
making it your dream EHR.

Plus, if you're using our EHR you'll get your very own branded mobile app.

Manage your practice and patients
conveniently and securely with a branded
mobile app. Your patients can book
appointments, pay co-payments, message
providers, check lab results and more.

We offer a trio of care coordination programs to drive better patient
health outcomes. Try our **Remote Patient Monitoring, Chronic Care
Management and/or Annual Wellness Visit** risk-free today.
