The Practice of Dr. Bahethi a well established Primary Care/ Internal Medicine Practice in Glen Burnie, Maryland is seeking a Board-Certified/Eligible Physician or AOA Certified/Eligible Doctor of Osteopathy. Both part-time or full-time positions are available. We provide a competitive salary and excellent benefits (including health, dental, Simple IRA, educational etc.).

About the Position

We are looking for a Doctor of Medicine (MD) or Doctor of Osteopathic Medicine (DO) to join our small primary care team of 2 providers. The job description of MD/DO includes conducting physical examinations, interpreting lab tests and overseeing patients' health. You'll be both a health practitioner and an educator, supporting disease prevention practices and helping people lead healthy lives. Clinical experience in primary care is vital. As a provider, you'll be working closely with our staff and other healthcare professionals. Having a team spirit and a positive attitude is necessary. Patience, problem-solving skills and communication ability are important.

An Opportunity to Help Shape the Future

Additionally, we are looking for a Physician(s) who can continue the growth, innovation and expand the success of the practice. Dr. Bahethi has been practicing medicine in the area for over 30th years and looks forward to working with and mentoring the next generation of providers. Building on the Practice's establish foundation, we can guide its continuing development and long-term success.

Responsibilities

- Examine patients and their medical records
- Order and study diagnostic tests (blood tests, X-rays etc.)
- Diagnose health conditions and illnesses
- Propose treatments for chronic, acute and infectious diseases
- Prescribe medications
- Maintain accurate records and schedules
- Inform patients about their health conditions and prescribed medications

- Educating patients and their family members on diseases, epidemics and prevention
- Overseeing patients' overall health
- Promote good health practices
- Advance professional knowledge
- Call backs and patient follow-ups

Skills

- Proven experience in a clinic, hospital, ER and other setting
- Expertise in primary care, acute care and chronic care practices
- Knowledge of health and patient care regulations
- Excellent communication skills
- Strong ethics
- Team spirit with a positive attitude
- Patience and cool-headedness
- Willingness to continue gaining knowledge and clinical experience

Ideal candidate will be willing to work part-time with a transition to full-time. Knowledge of eClinicalworks is also a plus.
