MedChi's Center for the Private Practice of Medicine

MedChi is committed to helping practices remain independent. As your Medical Society, MedChi developed the Center for the Private Practice of Medicine to provide business support tailored to the time constraints of your practice. Our goal is to strengthen your practice by providing credible support that meets your needs with key business services and resources.

MedChi
The Maryland State Medical Society

Your Advocate. Your Resource. Your Profession.

Total Cost of Care

Overview of the Maryland Episode Quality Improvement Program (EQIP), Maryland Primary Care Program (MDPCP), and Medicare Access and Summary CHIP Reauthorization Act of 2015 (MACRA).
Finance & Insurance

Professional support to perform coding reviews, training, risk mitigation, collections, and insurance needs.

HIPAA & Medical Records

Assistance with understanding the policy, privacy, and security risk management of your practice.

MedChi Care Transformation Organization

Support to practices via care management personnel, infrastructure, and technical assistance.

Opening & Closing a Practice

Documents to assist you in the process of closing down or opening up your practice.

Practice Management

Business assistance on coding and billing, delegation guidance, health insurance, payment issues, and more.

Technology/Telehealth

A breakdown of Remote Patient Monitoring (RPM) Opportunities, Telehealth Coding Guidelines, Electronic Prescribing for Controlled Substances Mandates, and more.

CRISP

Information that aides the flow of health information among physician practices, hospital labs, radiology centers, and other health care institutions to provide safer, more timely, efficient, patient-centered care.

Additional Resources

Resources on physician dispensing, remote patient monitoring (RPM), education opportunities, Maryland's Statewide Health Information Exchange (HIE), and more.
