

Dispensing Medications in Maryland?

You are required by law to complete CME.

DID YOU KNOW....

Maryland state law requires physicians who have a permit to dispense medications from their practice complete Continuing Medical Education credits on dispensing. MedChi, in collaboration with the University of Maryland, School of Pharmacy, has created an online catalogue of CME accredited Educational modules to assist physicians in meeting the state requirements.

MODULES OFFERED (1-2 CME CREDITS):

Controlled Substances and Inventory: Issues for Maryland's Dispensing Physicians

Dispensing Opioids: Decisions to Improve Medication Safety

Dispensing, Labeling and Documentation for Maryland Physicians (2024)

Medication Education at the Point of Dispensing: Requirements and Best Practices

Motivational Interviewing & Patient Adherence at the Point of Dispensing

Physician Dispensing: An Overview of Maryland Law and Regulation

Physician Dispensing: Optimizing Patient Use of Inhalers and Other Respiratory Devices

These offerings are comprehensive, cost-effective, and meet Maryland's drug dispensing permit requirements:

- Convenient Online Courses: Complete them from your home or office.
- Accredited Content: Approved by MedChi, The Maryland State Medical Society, and the Board.
- Discounts for MedChi Members: Enjoy reduced rates.

To get started, visit MedChi Physician Dispensing Permit Education. Select the modules you wish to take, pay online, and complete them at your convenience!
