## 88 Relevant AMA policy:

## 89 Separation of Children From Their Caregivers at Border H-440.818

- 90 Our AMA will: (1) oppose the practice of separating migrating children from their caregivers in the absence of
- 91 immediate physical or emotional threats to the child's well-being; and (2) urge the federal government to withdraw
- 92 its policy of requiring separation of migrating children from their caregivers, and instead, give priority to supporting
- 93 families and protecting the health and well-being of the children within those families.
