

Report to the Spring House of Delegates

Sunday, May 1, 2022

Maryland Physician Health Program
Maryland Healthcare Professional Program
Maryland Professional Rehabilitation Program

- Assist physicians and other healthcare professionals,
- Evaluate, refer and manage treatment for mental health conditions, substance use, or other problems that may interfere with their personal or professional lives,
- As of April 28th, there are a total of 97 participants in the three programs.

Grants and Education Division

We are working on the following:

- MDH Contract to run the Maternal Mortality Review Workgroup.
- The Maryland Health Care Coalition Against Domestic Violence provides resources and makes presentations. Check out the website – www.HealthandDV.org.
- The Annual Ethics Lecture will be held in the Fall. This CME lecture is supported by Dr. & Mrs. Thomas Allen.
- Online Physician Leadership Institute on our website – www.HealthyMaryland.org/Maryland-physician-leadership-institute.

History of Maryland Medicine

- The History of Maryland Medicine Committee will hold the Annual Hunt Lecture in the Fall.
 - Speaker – Jamie Hunt, Dr. Thomas Hunt’s son who will discuss Medicine and Mount Vernon
- Preparing for the digitization of the first 50 years of the 1900’s Medical Journals using a \$5000 donation. 1878-1900 completed.
- We are creating a museum, name to be decided later.
 - Initial exhibits of Past Presidents, items from our collections, including bookplate collection and our historic seal.
- Check out the MedChi Archives
