WHEREAS, Prince George’s County is in the process of planning a new hospital; and

WHEREAS, MedChi and Prince George’s County Medical Society have a long history on health care issues in Prince George’s County; and

WHEREAS, there is tension on the proposal; and

WHEREAS, a new hospital could create new opportunities and threats for physicians and medical staff throughout the county and the state; therefore be it

RESOLVED, that MedChi will carefully monitor the planning of a new hospital in Prince George’s County in order to protect the rights of physicians and patients in a new environment.

As amended and adopted by the House of Delegates at its meeting on September 27, 2014.
