INTRODUCED BY: Allegany County Medical Society

SUBJECT: Sterile Compounding

Whereas, in 2013 the Maryland General Assembly passed bills that placed broad restrictions on sterile compounding, and

Whereas, the Maryland law negatively affects routine and highly appropriate medical procedures, and

Whereas, in 2014 the Maryland General Assembly successfully passed legislation easing sterile compounding restrictions on ophthalmologists, oncologists, rheumatologists, and hematologists, and

Whereas, many other specialists are still being adversely impacted by Maryland’s extensive sterile compounding limitations, therefore be it

Resolved, that MedChi, The Maryland State Medical Society, will work legislatively to repeal the unique Maryland sterile compounding law.

As adopted by the House of Delegates at its meeting on September 27, 2014.
