MEDCHI TO SET NEW POLICIES AT FALL HOUSE OF DELEGATES MEETING

BALTIMORE, September 18, 2013 – We are pleased to announce that Maryland Secretary of Health, Joshua Sharfstein, M.D., will address MedChi’s House of Delegates at its annual fall House of Delegates meeting on Saturday, September 21. Our meeting on Friday, September 20 will feature a special presentation of MedChi’s Student Section. We will also have social media training, a candidates’ forum and elections, and the discussion of resolutions presented to the House.

MedChi will set its advocacy agenda for 2014 at this meeting. They will vote on numerous issues including expanding Maryland HIT incentives, nationwide prohibition of the sale of tobacco products in businesses that provide health care and health care-related services, extension of assignment of benefits, and several more.

On top of setting their advocacy agenda, they will also elect their new board of trustee members with Dr. H. Russell Wright becoming the new President for the 2013-2014 year.
