## **MEDCHI MEETING WILL SET POLICY; FEATURES RENOWN SPEAKER**

BALTIMORE, September 24, 2014 – MedChi is pleased to announce that Dr. Richard Hinton, the Team Physician for the Women’s US National Lacrosse Team and member of the physician team for the Baltimore Ravens, will present a CME-accredited presentation on the medical care of athletes at MedChi’s annual fall House of Delegates meeting on Saturday, September 27. Dr. Hinton will present “Lacrosse Sports Medicine: Taking Care of America’s Fastest Growing Game,” a fascinating examination of the science of sports medicine and one of the most popular sports in Maryland. This lecture will provide one hour of CME credit to our physician attendees.

MedChi will also set its advocacy agenda for 2015 at this meeting. They will vote on numerous issues including payer relations issues, the progress of expanding Maryland health technology incentives, reforming Maryland’s unique sterile compounding law, public health issues around sugar-sweetened beverages, and many more issues facing Maryland medicine.

As well as setting the MedChi advocacy agenda, we will also elect a new board of trustees and Dr. Tyler Cymet, D.O. will become the new President of the Society for the 2014-2015 year.
