SIXTH ANNUAL HUNT LECTURESHIP TO FEATURE DR. RICHARD COLGAN

BALTIMORE, June 18, 2015 — MedChi, the Maryland State Medical Society, and the Center for a Healthy Maryland will present the Sixth Annual Hunt Lectureship on Thursday, June 25, 2015. The evening will begin at 5:30 p.m. in Osler Hall at MedChi’s historic building on Cathedral Street. Dr. Richard Colgan will be speaking on the topic of “A Servant to His Brethren: Osler’s Impact on MedChi.”

This is particularly appropriate in 2015, the 110th anniversary of Dr. Osler’s departure from Baltimore. While Osler is closely associated with Hopkins, he spent considerable effort making sure that the medical community in Baltimore worked in harmony.

The Hunt Lectureship is named for noted Baltimore orthopaedic surgeon, Dr. Thomas Hunt, Jr. who has been an active member of MedChi and the Baltimore City Medical Society for many years, and whose interest in the history of medicine in Maryland, lead him to establish the lecture series.

About MedChi
MedChi, The Maryland State Medical Society, is a non-profit membership association of Maryland physicians. Formed in 1799, it is still the largest physician organization in Maryland today. The mission of MedChi is to serve as Maryland’s foremost advocate and resource for physicians, their patients and the public health of Maryland. For more information, please visit www.medchi.org.

About Center for a Healthy Maryland
The Center for a Healthy Maryland is an affiliate of MedChi. The Center’s mission is to advance the practice of medicine, enhance the quality of medical care, and promote the health of the citizens of the State of Maryland. The Center’s programs are directed at the public to improve health status, and also focus on quality improvement and education, with programs for physicians to help them to better serve their patients.
