2015 IS AN IMPORTANT DEADLINE FOR PHYSICIAN QUALITY REPORTING SYSTEM (PQRS) PARTICIPATION

The Affordable Care Act established Mandatory PQRS Reporting beginning in 2015. This means all Eligible Professionals who do not meet the criteria for satisfactory PQRS reporting or participating in 2015 will be subject to the 2017 negative payment adjustment of -2% of Medicare Physician Fee Schedule, with no exceptions.

The Centers for Medicare and Medicaid Services has contracted with VHQC, the Medicare Quality Innovation Network/Quality Improvement Organization for the state of Maryland to provide PQRS and Meaningful Use assistance to Maryland physicians at no charge to the physicians.
